Date: 7-Aug-18

Description:	Price:	Select:	Total:
--------------	--------	---------	--------

Fuselage

Included:

Parts for the construction of complete Fuselage, Fin and Cowls, Landing Gear including all control assemblies.

- Aircraft Fuselage
- Cowl with Oil and Inspection Door
- Landing Gear Assembly - Grove Wheels and Brakes
- Control Stick Assembly
- Throttle Assembly
- Rudder Pedal and Independent Brake Assembly - Adjustable

Optional:

Quick Build Option - Complete the Fuselage and Gear for me.	\$4,171.67	<input type="radio"/>	\$	-
Ballistic Recovery System - Magnum 901	#REF!	<input type="radio"/>	\$	-
Additional Fuel Tank (Fuselage) - 80 Liters (21 US gallons)	\$575.00	<input type="radio"/>	\$	-
"Tail Dragger" Configuration	\$0.00	<input type="radio"/>	\$	-
Dual Left and Right Controls - 2nd Rudder Pedal, Independent Brake Assembly and Throttle Assembly	\$0.00	<input checked="" type="radio"/>	\$	-
Luggage Door - Back	\$415.00	<input type="radio"/>	\$	-
Manually Adjustable Cabin Heater	\$408.33	<input type="radio"/>	\$	-

Wings

Included:

Parts for construction of complete set of wings.

- Wings, Flaps, and Ailerons
- Flaps Assembly
- Control Assemblies
- Hinges
- Wing Tanks 120l (31.5 US Gal) per wing or 240l (63 US Gallons) total.

Optional:

Quick Build Option - Complete the Wings, Ailerons and Flaps for me.	\$4,425.00	<input type="radio"/>	\$	-
--	------------	-----------------------	----	---

Empennage

Included:

Parts for the construction of complete Horizontal Stabilizer and Rudder.

- Horizontal Stabilizer and Elevators
- Control Assemblies
- Hinges
- Elevator Assembly
- Rudder

Optional:

Quick Build Option - Complete the Empennage for me.	\$4,250.00	<input type="radio"/>	\$	-
--	------------	-----------------------	----	---

Canopy

Included: **Complete Canopy and Fitment Assemblies.**

- Canopy pivot arms
- Gas lifts
- Canopy Locks

Optional:

Quick Build Option - Complete the canopy for me!	\$1,041.67	<input type="radio"/>	\$	-
Light Dark Tint	\$0.00	<input type="radio"/>	\$	-
Blue Tint	\$0.00	<input type="radio"/>	\$	-
Clear (No Tint)	\$0.00	<input checked="" type="radio"/>	\$	-

Final Assembly & Finishing

Included: **Includes everything required to effect final assembly of aircraft.**

- Wheel Spats and Fairings including Valve Access Doors
- Spinner and Mounting Plate
- Avionics Panel and Standard Interior
- Maintenance Manuals, Construction Log Book, Pilot's Flight Manual
- X350 Gen II Motor Plenum

Optional:

<p>Custom Italian Leather Interior and Carpets: A full-leather interior, generously crafted seats (with perforated accents), leather inner lining of the doors, as well as black leather trims, offers an elegant and sporty result; which fits perfectly into the overall concept of the X350 Gen II.</p>	\$2,916.67	<input checked="" type="radio"/>	\$	2,916.67
<p>Paint and Paint Consumables: 3 Stage Baslac® Pearl base paint enhances the smooth flowing lines of which only a composite plane can benefit. Various paint options available. baslac® offer the best possible finish for all solid, metallic and pearl colors. They are simple to apply and are accompanied by perfect color matching support.</p>	\$1,897.83	<input type="radio"/>	\$	-

Total Price for the Complete X350 Gen II Kit **\$ 49,498.00**

The X350 Gen II Kit includes all items required to complete a standard kit, however, does not include the motor, motor mount or avionics. The items below, marked, are required to complete your aircraft to fly, however can be sourced by the customer themselves.

Required Parts **Included** \$ 5,696.08

These items are required to complete the aircraft and is usually not supplied with the kit. Customer can source the items seperately or order everything from www.aircraftspruce.com, list available on request.

Additional Options:		Price:	Select:	Total:
Complete to Fly:				
Lycoming YIO-360-M1B - 180HP (Fixed Pitch or Constant Speed) Motor (Fuel Injected).	\$	28,600.00	<input checked="" type="checkbox"/>	\$ 28,600.00
